

If driving from the hotel, you may park in Parking Structure #2 and walk across Rose Street to the Chem-Phys Building. The meeting and coffee rooms will be on the first floor (one floor above the basement).

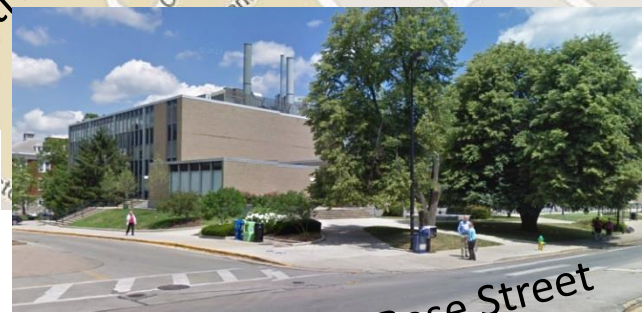

If driving, when approaching Limestone choose the 2<sup>nd</sup> lane from the right to cross.

Chem-Phys Building

Parking Structure #2 & MacAdam Student Observatory

Woodland Ave is one-way due to construction on campus. Best to avoid.

Chem-Phys Building seen from Rose Street
