

Spring 2014:

UK, (and BCTCS, JCC, etc.), astronomy students may attend, weather permitting, on **Mon-Tue-Wed**. Observing sessions begin at 8:00, 8:30, 9:00, and 9:30 PM, Tuesday Jan 21 through Wednesday Mar 5, then at 9:00, 9:30, 10:00, and 10:30 from Mon Mar 10 through Wed Apr 30.

The observatory will be closed for the following spring academic holidays:

Mon Jan 20	Martin Luther King Day
Mar 17 through 21	Spring Break

You may attend one of those on a first-come-first-served basis. The website and the observatory phone message is updated 1 hour before the first class. We do our best to be open if the weather permits viewing, but if it unexpectedly clouds up, the observatory will close.

We rely on Attila Danko's Clear Sky Chart for Lexington to predict the weather:

Parking: The structure (Parking Structure #2) is restricted to E permits only Monday through Friday 5:00am – 3:30pm and any valid UK permit Monday through Thursday 3:30pm – 5:00am. PS#2 gates go up only on Fridays at 3:30pm and remain up until Monday at 9:00am.

A link to parking maps can be found at the observatory web site (below). There is a metered lot adjacent to the Young Library.
